

52 Minories – London EC3

Client	Urbanest
Architect	BFLS
Main Contractor	Mansell
Project Description	<p>This flagship new build student residential scheme for Urbanest will be the first of its kind within the boundaries of the City of London and is designed to complement the contemporary commercial accommodation, for which the City of London is renowned.</p> <p>The scheme itself occupies the corner plot of Minories and Goodmans Yard and will provide a stunning gateway building to this corner of the City.</p> <p>McMullen have secured the contract with Mansell to design, manufacture and install the high performance bespoke unitised façade for the development.</p> <p>The façade conveys the contemporary design aspirations of BFLS Architects and once again demonstrates McMullen’s ability to produce complex unitised façade solutions from within its experienced in-house design team.</p>
